You have a slide of “Why me?” ; maybe you could try to show some knowledge of what the International Trade specialist should or would do on it as well.</p> <p>3</p> <p>But the e-resume just stopped so abruptly??</p>

			2 nd -round judge (1) 4	<p>整體建議</p> <p>Enthusiastic, but some hesitation in speech and the tone was flat.</p>
			2 nd -round judge (2) 4	<p>整體建議</p> <p>Quite fluent. The emphases are related to the job being applied, which is good. Some errors in the tense. E.g., “I am the crew....” Should be in the past tense.</p> <p>“And now I have very good ability.” Ability in what? The sentence doesn’t seem to be complete so it is not clear to the listener.</p> <p>Overall, the presentation is good.</p>
